## PROFESSIONAL EXPERIENCE

---

### Nextgen Healthcare

*KBM Templates Analyst*

**Horsham, PA**

*July 2014 – may 2016*

Used technical skill and acquired expertise of company's product to independently resolve issues, often times complex, with customer's database, software applications, technical configurations, etc.

- Recognized multiple times for excellent customer service in addition to exceeding quarterly goals
- Responded to all support issues in less than two hours by telephone and maintained average resolution time of less than two days which is well under the company average
- Exercised independent judgement to determine the appropriate course of action to be taken based on the analysis performed and all possible solutions

### Xaxis

*Data Analyst*

**Horsham, PA**

*November 2013 – July 2014*

Demonstrated the ability to read and write an array of programming languages including JavaScript, Python, and jQuery to ensure client's advertisements are properly implemented into the OAS platform

- Successfully use cloud based platforms such as Salesforce to organize, delegate and complete daily workflow
- Collaborated with Media Strategy and Business Development to leverage historical campaign data for inventory forecasting and media proposals
- Provided analysis of campaign metrics, and suggested improvements to drive success of campaign.

### Clark Associates Inc

*Sales Representative*

**Philadelphia, PA**

*June 2013 – November 2013*

Listened to and analyze the customer's issues, investigating the problems, and providing strategic solutions.

- Fostered a team oriented environment by maintaining a positive, professional attitude in all correspondence within high pressure situations.
- Providing friendly, efficient, and accurate solutions for customers with the goal of customer loyalty and increased business sales

## EDUCATION

---

**Pennsylvania State University**

*Bachelor Degree in Corporate Communications and Business, December 2012*

**University Park, PA**

- GPA 3.32/4.0
